Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Emergency Operations Center Renovation in fiscal year 2025. The entity to receive funding for this project is the City of Huntington Park, located at 6550 Miles Ave, Huntington Park, CA 90255.

This project will renovate the Huntington Park Emergency Operations Center, The project is to improve ADA accessibility, safety and security upgrades, telecommunications upgrades, meeting and briefing areas, multi-use zones for training, IT upgrades, secured storage for public safety equipment, press areas for public information briefings, floor, ceiling and wall treatments, mechanical upgrades to HVAC, electrical, mechanical, plumbing, and furniture fixtures and equipment. The project is an appropriate use of federal fund because it will continue to support emergency response operations in Huntington Park, for the surrounding area, and contribute to public safety.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
