Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Public Safety Updates in the fiscal year 2024. The entity to receive funding for this project is the City of Bellflower, located at 16600 Civic Center Drive, Bellflower, California, 90706.

Public safety is a priority. Everyone deserves to live in a secure community, without fear. \$870,000 in federal funding will install security cameras at facilities throughout the City of Bellflower, with an emphasis on the city's parks. These cameras will deter unlawful or antisocial behavior to ensure that the city's public spaces are truly for everyone.

The project has a Federal nexus because the funding provided is for purposes authorized by 34 U.S.C. § 10152. I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Robert Garcia
Member of Congress
