Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Pritchard Field Park in the fiscal year 2024. The entity to receive funding for this project is the City of Bell, California, located at 6330 Pine Avenue, Bell, California, 90201.

In a poor and underserved community, renovating Pritchard Field in the City of Bell will create a key community focal point. In a currently unused and undesirable urban space, \$2 million in community project funding will support the complete refurbishment of vacant but well-situated open space to become a much needed safe green space for the people of Bell and the adjacent highly dense communities.

The project has a Federal nexus because the funding provided is for purposes authorized by HUD EDI: 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and 5305(a)(5). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Robert Garcia  
Member of Congress
