Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Cudahy Seniors Affordable Senior Development in the fiscal year 2024. The entity to receive funding for this project is the City of Cudahy, located at 5220 Santa Ana Street, Cudahy, California, 90201.

Our district faces a serious housing shortage. \$1.5 million in community project funding will be used to build affordable housing for low-income and homeless seniors. 140 families with senior members would be served directly. Cudahy is a deeply underprivileged city, and the development will serve as a catalyst for the redevelopment of the critical Atlantic Avenue commercial corridor.

The project has a Federal nexus because the funding provided is for purposes authorized by HUD EDI: 42 U.S.C. 5305(a)(1), 5305(a)(2), 5305(a)(4), and 5305(a)(5). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Robert Garcia  
Member of Congress
