Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Studebaker Road Corridor in the fiscal year 2024. The entity to receive funding for this project is the City of Long Beach, located at 411 West Ocean Boulevard, Long Beach, California, 90802.

Studebaker Road is a key corridor for the City of Long Beach. With \$5 million in federal funds, a 5 mile complete street redevelopment project will deliver multi-modal improvement, including road repair and resurfacing, protected bike lines, and pedestrian safety investments. The corridor serves multiple schools, and is a key transit route.

The project has a Federal nexus because the funding provided is for purposes authorized by Type of project eligible under 23 USC 133(b). I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Robert Garcia  
Member of Congress
